- Notes: 1)** Medication will not be administered by the establishment unless this authorisation is completed and signed by the parents/guardian of the pupils.
- 2)** The Governors and Head Teacher / Head of Establishment reserve the right to withdraw this service.
- 3)** The school requests permission to ask your doctor for a split prescription. i.e. a script from your doctor to be sent to school and collected by us from the pharmacy. This is a safety precaution to stop the transportation of medication between home and school.
