### COVID-19 Reporting arrangements during the Christmas Break

Dear Parent/Carer

For the first six days after we break up on Friday 18<sup>th</sup> December we will remain contactable so that we can assist with contact tracing where necessary. This will allow enough time for positive coronavirus (COVID-19) cases to be identified and confirmed by a test and for relevant contacts in Walworth to be traced.

For the first 6 days after teaching ends, if a pupil tests positive for coronavirus (COVID-19), having developed symptoms within 48 hours of being in school, the school will assist in identifying close contacts and advising self-isolation, as the individual may have been infectious whilst in school.

Where a pupil tests positive for coronavirus (COVID-19), having developed symptoms more than 48 hours since being in school, the school should not be contacted. Parents and carers should follow contact tracing instructions provided by NHS Test and Trace.

This six-day period would end on the 24<sup>th</sup> December for Walworth.

If you need to contact school during these six days please phone 07510683435 and speak to Miss Vicky Bourne. She will be available between 08.00 -17.00 hrs each day.

Thank You

Mr Steve Hope
