

ACORN HOUSE CHILDREN'S MEETING

MINUTES

11th & 13th June 2019

- Overview of May Meeting
 - Mental Health Week was a huge success!
 - Thank you to all of the classes for inviting us in. We really enjoyed looking at your Family Group Books and the cuppa and cake!
 - Our 'Food & Mood' picnic teas went down really well. Staff were very happy to see lots of children trying new things and most of you actually found out that you like things that you thought you didn't. So well done for trying new things!
 - We have some new displays in connection with Mental Health Week - 'Be A Bucket Filler' on Magpie and our 'Food & Mood' on the gallery. What is a bucket filler? Who tries their best to be a bucket filler?
- Our Music Project
 - Mrs Coglan has been successful in gaining the funding for some musical instruments. Together we decided to turn Kingfisher lower unit (Mr Robson's) into a music area for Acorn and school use. Joshua has been helping Mrs Coglan organise the instruments and finding some music. The work on the unit will take a little while but any suggestions for decorations and seating would be very welcome.
- Allotment Project - progress and what is to do?
 - We had a busy time in the allotment in May - lots of jobs needed to be done - refer to Garden Presentation.
 - we need to pot the peppers into bigger pots, plant our tomatoes into grow bags and continue to water, weed and feed the produce.

- John Muir Award

- Well done those who have been colouring John Muir poems for our display board. The garden project is also part of our criteria for gaining the award as well as work we have been doing on 'Food for Mood, they all link. Mrs Cogan is putting the year 6 children who gained a Level 1 certificate last year forward for their Level 2. And others who are new to the award forward for their Level 1. Well done everyone.

- Ducklings

- the ducklings have returned this week - we need to check on them on an evening and morning but this will be behaviour dependant.

- Suggestions Board - trips/Year 6 Leavers/Walworth School's 40th Birthday - continue to need suggestions! We haven't got much time to get these organised! Also, suggestions of how to decorate the Kingfisher Unit and turn it into our Music Area.

- Any Other Business???
