

ACORN HOUSE CHILDREN'S MEETING

MINUTES

5th & 7th March 2019

Agenda:

Overview of February 2019 Meeting

Chinese mask competition - It was very difficult for Leslie and Sheila to choose 2 overall winners of the competition. Tyler and Ryan 's mask was chosen and they can pick a prize from the reward cupboard. However well done!! to everyone who entered and they will also get a prize of a packet of midget gems for taking part.

Valentines day - Well done to all children who made a valentines day card to show their appreciation to the people they love. IT IS IMPORTANT!

Outdoor Activities - Children have been able to have an hour each evening before it turns in cold and dark. On the whole children have displayed positive behaviours. Children need to concentrate on getting along with each other sharing and being kind.

Fire Safety - Children gave an overview of what to do when the fire alarm sounds (for the benefit of new children starting acorn). As always established children give sensible advise and guidelines to children just starting Acorn.

Summer Activities - Children were asked to think about places they would like to visit throughout the summer months. Preston Park was a favourite along with Hamsterly Forest. Children also requesting to go on off-site bike riding. This will be available for children who are able to follow instructions that will keep them safe. Children were asked to put suggestions on the notice board on the skylark unit.

Garden project - Things are going well!! The weather is improving and some children are already helping out in the garden. We have complete February jobs and are now concentrating on Jobs which need doing in March. (Children watched garden power point)

Suggestion Board - Children have only posted one suggestion this month (we need a new remote for the wii). First we will need to check the batteries. Children reminded to use the suggestion board on Skylark unit.

School Council- Children information

Any other business - Just to mention how proud staff are of children who have picked up their knitting needles and have learnt themselves to knit. This is a great skill !

UPCOMING EVENTS TO THINK ABOUT

- Easter (Activities) have a think! (suggestions on notice board)
- Incredible Eggs (11th March)

REMEMBER WE HAVE A SUGGESTIONS BOARD DOWN ON SKY-LARK UNIT SHOULD ANYONE WISH TO MAKE A SUGGESTION OR SOMETHING TO BE DISCUSSED IN THE CHILDREN'S MEETINGS

DON'T FORGET ABOUT SCHOOL COUNCIL'S SUGGESTIONS TREE IN THE SCHOOL FOYER
