

ACORN HOUSE CHILDREN'S MEETING

MINUTES

9th & 11th October 2018

- **Overview of September /October activities**
 - All children helped to make some lovely autumn art work, made out of conkers , pine cones, Acorns and autumn leaves. Your art produced a lovely, colourful wall display.
 - For Mental Health week you all made some fabulous decorated 'face plates' and they have been made into mobiles to hang from the ceiling to keep us smiling.
 - The shoe boxes are underway and we have begun to cover them in Christmas wrap .
 - John Muir update - The hedgehog house has been prepared and laid and hopefully we have a resident lodger for the winter.
- **Reward Coins -** Congratulated all children on their good efforts made to gain reward coins. Children have shown each week how kind, thoughtful and considerate they can be toward each other. They can be very proud of themselves. The reward box has been 'topped up' with more goodies to be rewarded.
- **Pirate Day -** Children will be dressing up in pirate outfits and children said they would like their faces painted and to make outfits if they don't have one..
- **Halloween -** Children are doing a Halloween art display and all were in agreement they would like a Halloween party and a 'witch hunt' to celebrate. Children will be baking and decorating their own cakes and sweet baskets . There will be prizes for pass the parcel and a prize for the person finding the most Halloween cards.

- **Raised beds** - The garden allotment has new raised beds . Children said they would like each unit to have two raised beds each to grow what they want. Post it notes are available for children to write down suggestions of what they would like to grow. Work needs to be done to prepare the beds for planting. Mrs Hutchinson has ordered top soil and we need some volunteers to barrow the soil into the beds.
