### COVID-19 Reporting arrangements during the February Half Term break

**This information is for parents and carers of children who are currently attending school**

Dear Parents/Carers

For the first 48 hours after we break up on Friday 12<sup>th</sup> February we will remain contactable so that we can assist with contact tracing where necessary. That is up until 14.30hrs on Sunday 14<sup>th</sup> February. After this period parents and carers should follow contact tracing instructions provided by NHS Test and Trace.

This will allow enough time for positive coronavirus (COVID-19) cases to be identified and confirmed by a test and for relevant contacts in Walworth to be traced.

For the first 48 hours after teaching ends, if a pupil tests positive for coronavirus (COVID-19), having developed symptoms within 48 hours of being in school, the school will assist in identifying close contacts and advising self-isolation, as the individual may have been infectious whilst in school.

Where a pupil tests positive for coronavirus (COVID-19), having developed symptoms more than 48 hours since being in school, the school should not be contacted. Parents and carers should follow contact tracing instructions provided by NHS Test and Trace.

If you need to contact school during this period, please phone 07510683435 and speak to Miss Vicky Bourne. She will be available between 08.00 -17.00 hrs on Saturday and Sunday, 13<sup>th</sup> and 14<sup>th</sup> of February.

Thank You

Mr Steve Hope  
Deputy Head Teacher
