

Walworth Primary School

Listen Learn & Be Happy Together

JULY NEWSLETTER

A Message from our Head Teacher...

Welcome to Walworth's July and the last Newsletter of our School Year School Closes on **FRIDAY 16th JULY at 12:30.**

Mr Hope and I would like to thank you all for your considerable and valued support during the last year. The world has totally changed and this has had an affect of how Walworth School has functioned. Your support throughout this period has been immense and without it, Walworth children would not have received the quality of education they did. As parents and Carers, you placed a huge amount of trust in Walworth school to care of and look after your children. This is a huge compliment to all Walworth staff, trusting your child with other people when the whole world was in turmoil, again many thanks indeed.

On a lighter note Mr Hope, Mrs Wallbanks, Miss Flood and I are all leaving when school ends on July 16th. Miss Flood is moving to a new post in another school and the rest have reached that point in our lives when time has caught up with us. All three are retiring after many years at Walworth. All three staff wish the school and its new Senior Leadership Team every success in the future and hope they continue to receive the highest level of support that has been given to us over many, many years from Parents and Carers.

Finally could all Walworth staff wish you the best Summer holiday possible whatever you may have planned.

Mr Wallbanks

Attendance

In School we are always trying to improve our attendance from our pupils. Currently Children are rewarded with certificates for 100% attendance for each week. The Class that has the highest attendance for that week receives an attendance pen. Each child also receives a raffle ticket for a full weeks attendance which goes into a half termly prize draw! Weekly attendance updates are published on our website and facebook page. Attendance is very important to your Child.

We would like to Thank you all for your continued support, The attendance this term has improved.

Miss Bourne.

September

School reopens 08:50

Top Goal Scorer - J.Dwyer

Online Safety!

More information and useful sites can we found on our School Website

Website	Comment
www.internetmatters.org	Really useful website covering parental controls, apps and all aspects of supporting parents with technology.
www.net-aware.org.uk	Great website for parents, written by the NSPCC that explains about individual apps and the safety measures they have in place for children
https://www.childline.org.uk	The website for children to get support themselves
https://www.ltai.info	Support with radicalisation
https://www.getsafeonline.org	More for parents – this site explains how to protect yourself against online fraud – which is an increasing problem.

COVID-19

General Covid messaging – until 19 July:

With cases increasing in the county, it's never been more important to stop the spread of Covid. Let's be a Covid safe county, play your part by following

hands - wash hands regularly or use sanitiser

face - wear a mask

space - stick to social distancing rules

fresh air - open windows to circulate air when meeting indoors

Find out more at durham.gov.uk/coronavirus

If you are meeting up with friends or family, remember you can meet in groups of 6 indoors or up to 30 people outdoors. Taking a test before you meet up and following hands, face, space, fresh air can help to prevent the spread of Covid. durham.gov.uk/coronavirus

Get Tested:

Cases are increasing in County Durham, remember to do twice weekly testing and to self-isolate for 10 full days if you test positive. You must also get a follow up PCR test. Support is available if you need to self-isolate and don't have family and friends to support you. For more information on test options in County Durham, visit durham.gov.uk/CovidLFT

Self-isolating:

If, when doing your twice weekly testing, you test positive for Covid you must self-isolate for 10 full days from when your symptoms first started. Find more information on the support available if you are self-isolating at durham.gov.uk/covid19help

With cases rising in County Durham, if you test positive on an LFD test you must self-isolate straight away and book a follow up PCR test. You can find information on booking a test at durham.gov.uk/covid19testandtrace

Get both doses of vaccine:

The second dose of the COVID-19 vaccine helps to provide longer-term protection. It's important to keep your vaccination appointment when it is offered to you. Find more information on the COVID-19 vaccination at durham.gov.uk/covid19vaccinations

If your child has:
a high temperature
a new, continuous cough, or
a loss of, or change in, sense of
smell or taste

This could be a sign of
coronavirus

[Book a test](#)

PLEASE
STAY SAFE OVER
THE SUMMER!

If your child has:
a runny nose, is sneezing or
feeling unwell
But they don't have:
a high temperature
a new, continuous cough, or
a loss of, or change in,
sense of smell or taste

These are
not normally symptoms of
coronavirus

Seek advice from a pharmacy, dial
111 or see your GP
