

Going to my new School.

Welcome to Walworth School

I will be going to a new school. It will be lots of fun!

I will meet many new friends! I know that everyone will be friendly and nice. Maybe I will be able to visit my new school before school begins.

I will need to get my mind and body ready for school.
I will start going to bed early just like I do during school.
This will help me get back into the school routine.

On the first day of school I will wake up early, get dressed, and eat a yummy breakfast!

The taxi will pick me up at home and take me to my new school and it will take me home after school.

When I get to school Mr. Cooke, the Head Teacher will be waiting for me and other children getting off the taxi.

Mr. Cooke

At Walworth, there will be a new classroom.
We will have fun and learn lots of new things.

There will be new children at Walworth and we will do fun things like play outside or go on a trip in the school minibus.

I might miss my old school, but I know my new school will be
GREAT!
