

Staying Safe

Being online is an integral part of children and young people's lives. We know it can be hard to keep up with the ever-changing digital world. The internet is amazing and it can help children connect, create, play and learn – opening up a world of exciting possibilities! However, with the digital world changing all of the time, how can we keep our children safe?

Please find information and resources below to help keep your child safe when they are using the internet.
