***“Supporting everyone’s emotional wellbeing and mental health, so that they can be listened to, are happy together and ready to learn.”***

**Wednesday 24<sup>th</sup> May 2023**

Dear Parents/Carers,

As you are aware the weather is getting gradually warmer as we move into the summer season. At Walworth we try to ensure the safety of all our children, including the amount of time they spend in the sun.

By law we can administer sun cream to the children, but we do try to encourage them to put the cream on themselves. We do not allow children to take off their T-Shirts so the only parts to apply sun cream to would be their arms, face, neck, ears and legs if wearing shorts/skirts.

Please can you send sun cream and a cap/summer hat into school with your child’s name on it, which your child can use or we will provide a spray type of cream which allows the children an easier option of putting the cream on themselves.

**In the event of your child not applying the cream, would you have any objections to staff supporting your child in this important safety element?** (Please contact the school if you do object as soon as possible please)

If you wish to discuss this further please do not hesitate to contact us on the information provided above.

Many Thanks for your continued support.

Yours sincerely

Mr R Cooke
